**M** Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)**

There is no need for any special measures except the normal duties in operating a licensed premise. The DPS has been trained in licensing law and is fully aware of how to operate a licensed premise under licensing law and to prevent crime and disorder and ensure the site is safe for the public. The local council are bound to visit and give any recommendations to ensure health and safety. If there are any functions organised that may have a level of demographics that may cause trouble then advice will be sought from the Police as to what they recommend for security and other issues. CCTV will be installed.

**b) The prevention of crime and disorder**

A meeting will be requested with the local Broads Beat Police team and Police licensing and to review the systems in place and any recommendations implemented. The following conditions have been requested by police and accepted.

- **CCTV to be in operation and recording the main public area and external areas of the building. CCTV footage to record a minimum of 28 days and be available to Police on reasonable request.**
- **For all land-based events with an expected attendance of 100 patrons, a written risk assessment and Event Management Plan will be written outlining security plans, toilet facilities, medical provisions, emergency planning. This document will be provided to Police and Licensing Authority a minimum of 28 days prior to the event date.**
- **The Premises Holder will have a documented water safety policy considering types and timings of events and ensuring water safety equipment is available at all times.**

**c) Public safety**

A meeting will be requested with the health and safety team of Broadland Council to review the system in place and any recommendation will be implemented. Pre application discussion has been had with the environment services and their concerns have been addressed in an email attached. Fire Services have also sent in their recommendations and these have been implemented. Discussion attached has been had with the head of navigation of the Broads Authority and they have agreed the new hours are in line with their policies and they have no issues with the moorings.

**d) The prevention of public nuisance**

The site is the remotest pub in England and has no road access for customers and no neighbours. It is never envisaged that public nuisance will be an issue. Negotiations have been held with the RSPB who have agreed the terms of the application and ensured that there will be no impact on them or the neighbours. A copy of the email is attached.

e) The protection of children from harm

There is nothing proposed that will generally be detrimental to children. If there are any late night functions that require more diligence then they will be restricted to over 18. There is not a local community with children that can be impacted by the trading of the site.
