

Want to learn something new, share your talents with others or just a place to socialise?

Acle now has a Men's Shed! Men's Sheds are similar to garden sheds – a place to pursue practical interests at leisure, to practice skills and enjoy making and mending. The difference is that garden sheds and their activities are often solitary in nature while Men's Sheds are the opposite. They're about social connections and friendship building, sharing skills and knowledge, and of course a lot of laughter.

If you would like to be involved then get in touch! All men and women aged 18 and over are welcome to attend
